Senior housing campus

Senior Living Communities will build a multimillion-dollar retirement campus, **Watersong**, in Viera.

The community is planned to be on about 26 acres with 43 South Florida-style cottage homes, 148 apartment units, 26 enhanced-living apartments, 24 assisted-living units, 24 skilled-nursing beds and 24 Alzheimer's units.

In addition to the diverse housing options, this gated community will have clubhouses, a wellness center and a 24-hour staff. Programs include country-club-style dining, social activities and on-site maintenance.

Watersong is scheduled to open in early 2009, but its sales center will be available for information in early September. To learn more, visit Senior-Living-Communities.com.
